

Welcome to Agia Anna and to “**ANEMOS Studios**” ! \*\*\*\*\*

“**Anemos Studios**” are rooms **only 20 metres** away from the beach, at Agia Anna (Saint Anna) on the island of Naxos.

A hospitable family environment. Turquoise sea, golden sand and a little picturesque harbour describe Agia Anna.

A great place for triathlon training, so we are told by enthusiasts of the sport!

Near the rooms there is a bus stop, public parking area, super market, ATM machine, restaurants and cafeterias.

“**Anemos Studios**” is about 5 km from Naxos town (Hora) and about 3km from the airport. Buses run frequently to and fro.

Or if you want to be independent, nearby you can hire a car, a motorbike or a bicycle to see other parts of the island, an island rich in history and culture.
